FEAST VAN

From January 18th to February 3rd, local foodies and visitors will be invited to enjoy a selection of specially priced three-course meals (two course meals at lunch) from Au Petit Chavignol, Cascade Room, El Caminos, Habit, Harvest Community Foods, Les Faux Bourgeois, The Parker, Union Bar, and more. We haven't seen the menus yet, but that sure looks like a tasty line-up!

Participating restaurants will donate \$1 to the **Strathcona Community Center Back Pack Food Program**, which provides meals for both **Raycam** and **Strathcona** community centers. The awesome organisation, which serves the children of Strathcona and the DTES, aims to "bridge the weekend gaps when school food programs are not running".

\$1 from every prix fixe dinner sold will go towards the **Strathcona Community Center Back Pack Food Program**.

A % of the proceeds from every keg of **R&B Brewing East Side Bitter** sold at participating FeastVan restaurants will go towards the **Strathcona Community Center Back Pack Food Program**.
